

# Windhorse Summer Saddle-Up Miles Log

Summer is here, and we're all itching to get our ponies out on the trail or in the arena! While you are participating in your favorite riding activity this summer, you can also support kids in our community in the first annual Windhorse Summer Saddle-Up. It's a 2-month riding and fundraising challenge with prizes for the individuals and teams who log the most miles and raise the most funds in support of Windhorse!

Time spent in the saddle is good for your physical and mental health. While you are doing what you love, you can help the kids in our community experience the joy and connection that horses offer. Windhorse provides scholarships to all families who need them and supports youth who are experiencing anxiety and other emotional challenges. The funds we raise will support program costs and provide scholarship support for children and teens in our community. To learn more about Windhorse, visit [www.windhorseequinelearning.org](http://www.windhorseequinelearning.org).

### Paper Log Forms must be received by 6pm on September 10th, 2021.

If you want your miles to be added weekly to the leaderboard on the Saddle Up website, be sure to submit them each Monday by 6pm. This form can be scanned and emailed to [saddleup@windhorseequinelearning.org](mailto:saddleup@windhorseequinelearning.org) or dropped off in the mailbox at Windhorse Equine Learning, 3477 Johnson Road, Bozeman. Copy this form as needed for additional rides.
